

Bishop Challoner Catholic Federation of Schools

26th September 2022

Dear Parent / Carer,

Y11 Parents Information Evening **3rd October 2022, 5.30pm – 6.30pm**

I would like to take this opportunity to invite you to a Y11 Parents' Information Evening to be held on **Monday, 3rd October 2022 at 5.30pm**. The purpose of this evening is to provide you with the information you require in regard to the schools strategy to ensure your child succeeds and achieves their full potential in their public examinations at the end of this academic year.

As you are aware Year 11 have two sets of Grade Indicator Examinations:

1. In November 2022
2. In March 2023

We will inform you what the impact those preliminary exams will have on your child's academic pathway. It is also an opportunity on that evening to hear from staff regarding study skills, intervention materials, expectations of departments, opportunities for extra provision for your child to receive as well as additional teaching and opportunities for them to do independent learning within school at the weekend. We will also include an explanation of the new 23/11 programme that will encompass all aspects of intervention for students to succeed in their public examinations both within lesson time and elsewhere.

It is vitally important that the school works in partnership with you to ensure your child is fully successful this year. The importance of this partnership cannot be underestimated. There will be three evenings like this throughout this year as we journey together towards the public examinations. You are invited to attend with your child to hear what we have to offer them and also an opportunity for you to ask questions and queries that may arise from the evening that allows you with your child's learning at home.

We very much look forward to welcoming you and thank you for all your support you give to the staff and the school.

Yours sincerely,

JP Morrison
Executive Headteacher
