How do I make appointments?

Bookings must be made through our central SchoolCloud portal at the following address: www.bishop.schoolcloud.co.uk this link can also be found on the school website. If you are unable to access the internet to make appointments please contact the HoY.

Which staff will I be able to see?

All Year 11 teachers will be present. It is important that, as specialists, they feedback on the best way for your child to achieve exam success in the summer following their Grade Indicators. Most parents will see nine members of staff. Each appointment will be 5 minutes long.

When will my child receive their Grade Indicator Results?

Students will receive their Grade Indicator Results and Predicted Grades on Tuesday 20th December at 11:10am in the Sports Hall. Once they have received their results they will leave school via Lukin Street to start the Christmas holiday. We will re-issue the results at Parents Evening.

When are the actual GCSE exams starting?

The majority of Public GCSE Exams will start the beginning May 15th 2023. The last exam will be no later than June 28th 2023. This means that after the Christmas Holidays there is only 13 teaching weeks until the main exams start. However, some subjects will have public exams before May. For example, ICT and Health and Social Care have exams in January. Staff will be able to advise you on other assessment deadlines at parents evening.
